Witten April 2021

Next Generation

Dear client and supplier,

an era comes to an end and a new one begins. For more than 60 years, Zappe Verpackungsmaschinen GmbH with the shareholders Mr. Groneberg and Zappe has been working for you with pleasure. On **April 1, 2021**, Zappe Verpackungsmaschinen GmbH will become

Zappe Packaging Technology GmbH & Co. KG.

After a successful collaboration, Mr. Groneberg is taking his well-deserved retirement. Mr. Zappe will be at your disposal as a sales manager in the successor organization with his usual commitment. The successor organization will be headed by **Dipl. Wirt.-Ing. Mrs. Altunbas**. She brings many years of experience in corporate division management with a high level of technical relevance.

The proven team of Zappe GmbH will be taken over and will work for you as usual, advise you and support you successfully in your business area. All delivery and procurement obligations will be taken over by the successor company.

Customer satisfaction, service and quality are still very important. We thank you for the trust you have placed in us! Mrs. Altunbas and her team look forward to working with you in the next years to find the right solution for your request and to work together reliably.

Yours Sincerely,

Zappe Packaging Technology GmbH + Co KG
